History of TOM's

TOM'S is a family owned and operated farm that has been in business for over 40 years. Tom's farm was once surrounded by vast farmlands in Huntley.

Tom Halat started his vegetable business in Bartlett, IL during his high school years and that market is still in operation today.

The farm operation moved to Huntley in 1977. Since then, that roadside wagon expanded into greenhouses, a garden center, bakery, lunch cafe, gourmet shop, gift boutique and farm market. Today Tom and his daughters, Mary & Liz and Mary's husband Paul manage and operate the business.

In 2006 Tom and his late wife Cheryl sold a portion of their farmland to Centegra Health Systems where a Hospital, Fitness Center and Immediate Care Center have been built. The entrance into the complex has been named in memory of Cheryl Halat.
